C.H.I. OVERHEAD DOORS

THE DOOR TO QUALITY.

9' x 7' 5240 white with optional cascade window inserts

### MODEL 5240 Uninsulated

### MODEL 5241 Insulated

- **Models 5240/5241** offer the durability of tough 24-gauge draw quality steel in a pan-type product
- Extra-heavy paint system includes .25 mil. primer with rust inhibitor and a .75 coating of baked-on polyester paint. Available in white, almond and sandstone
- Heavy-duty 16-gauge hinges with "wide body" pattern for greater stability and longer life
- Long-lasting durable rollers assure consistent, efficient operation
- Extension or torsion springs are individually computer-calibrated to lift your door
- Standard decorative hardware is available for all doors as well as optional Wrought Iron designs to replicate an old world look
- Exterior decorative hardware includes 4 hinges, 2 handles and pop rivets for mounting to face
- Glazing options include standard glass and glue chip glass with four optional insert designs
- Inside stiles are made of galvanized steel and stile holes are "dimpled" for increased holding power
- **Model 5241** includes 1-3/8" polystyrene insulation, with a vinyl back cover
- **Model 5241** R-value - 6.85\*
- Available in the Windbreaker Series
- Patented design

The 5200 Series Steel Carriage House Door is truly an innovative product. Not only is it the premier carriage house door to be constructed entirely of steel, but it has been designed to give you, the home owner, an historically-accurate recreation of the traditional wood carriage house door. C.H.I.'s Steel Carriage House Door provides the maintenance-free durability of steel and a limited lifetime warranty for years of worry-free protection. And with a diverse collection of window, hardware, and color options you can be certain to find the door that will compliment your home perfectly.

# ELEGANT DURABLE.
